UB1

UNIVERSAL BULKHEAD™

THE ONLY MANUFACTURER OF FLEXIBLE HARD SIDED BULKHEADS

TW Insulated Products

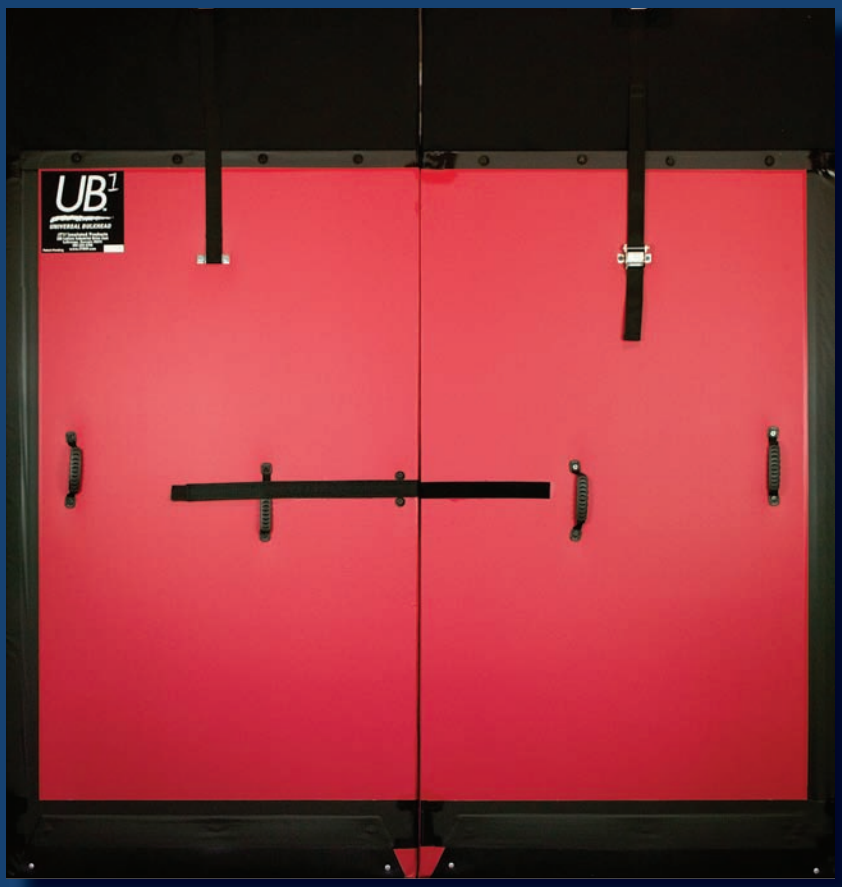
ITW Insulated Products

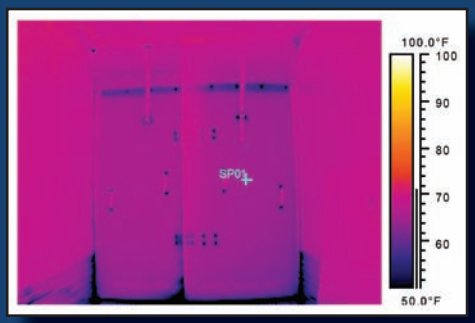
UB1 UNIVERSAL BULKHEAD™

Benefits:

- UB1 Universal Bulkhead fits virtually every trailer dimension
- No trailer measurements needed when ordering
- Keep inventory on hand for new or replacement requirements
- Able to move from trailer to trailer in fleet, not dedicated to a specific trailer
- Seals in older, bowed trailers
- 2 Piece, 2" design is more user friendly than oversized conventional bulkheads
- No new trailer tolerance concerns
- Easy to repair
- Thermal efficient
- If one side gets damaged, replace one side, not entire bulkhead
- Reduce wear
- Reduce fuel costs
- Reduce driver fatigue
- Patented

SHIPS WITHIN 24 HOURS!





Thermal image shows full temperature separation and better product protection.
